

# ORCHARD VIEW GOLF CLUB

## COVID-19 POLICIES

We are very excited to be able to finally open our golf course! Please be advised that we are doing everything we can to provide a safe facility for you to come to. We are monitoring the COVID-19 situation daily and we will be updating our policies as the local health unit and government ask. All golfers are expected to adhere to the following rules when at Orchard View to ensure everyone's safety.

We have taken the following precautionary measures to keep our customers even safer, we also ask the following of everyone:

- We will be limiting the number of customers allowed in the clubhouse to pay green fees and use the restroom. Please adhere to the lines marked on the floor to help with social distancing. When on the turn you may come to the sliding window for To-Go beverage or snack purchases.
- Only those with a tee-time will be allowed to golf. No walk-ons at this time
- Please use the signs on the doors when entering as we have designated certain doors as "Exit" and "Enter" to aid in the flow of traffic
- Please use sanitizer when entering the building. We also encourage everyone to bring their own to be used throughout their game
- We will be washing and sanitizing power carts and pull carts after each use. There will also be sanitizer by the 1<sup>st</sup> tee available as an extra precaution
- The bathrooms in the clubhouse will be open as well as on the golf course. They will be regularly sanitized throughout the day as well as all high touch surfaces.

- All trap rakes and ball washers have been removed from the course. Garbage containers are still on the course and we ask that everyone dispose of garbage in the proper area.
- Please remove ALL items from the cart when you are finished playing
- Please do not touch the flagstick; the holes have been raised to allow for easy ball removal. "Gimmes" are encouraged
- The putting green will be open, with no flags, to the group ON DECK ONLY
- Please come no more than 20 minutes ahead of your tee time
- Carts will be single rider only (unless you live in the same household). They are available on a first come first serve basis. Please walk if you can to allow carts to be available to those who may need them
- Social distancing of 2 meters must be adhered to AT ALL TIMES AND LOCATIONS. Those not obeying may be asked to leave the premises without refund
- Foursomes are highly encouraged. When necessary, twosomes will be paired up
- No congregating of any sort is allowed at this time anywhere on the premises including the parking lot. All food and beverage is served on a to-go basis and you are asked to leave the property after your round
- No re-usable cooler bags will be given out. Only disposable bags and we ask that you dispose of these in the proper area when empty
- The course will be marshalled as needed to make sure policies are being followed. Please listen to any suggestions given as they are only to promote safety
- No club rentals, each golfer must bring their own

- Please keep your pace of play in order to keep our social distancing rules. Each hole should take no more than 13-15 minutes to play. If your group is slow you will be asked to pick up your ball and move ahead
- DO NOT COME GOLFING IF YOU HAVE ANY SYMPTOMS OF COVID-19 OR HAVE BEEN OUT OF THE COUNTRY FOR ANY REASON IN THE LAST 14 DAYS

PLEASE BE SAFE, FOLLOW THE RULES OF SOCIAL DISTANCING AND HAVE FUN!
